

Christian Education

Church School

Children are very important to the life of St. Ann's Church. St. Ann's provides for the Christian Education of our children through two classes. The primary class is designed for children from the age of 4 - 8. The older class is for ages 9 until confirmation or until the children become active acolytes and no longer desire to attend a formalized program.

Christian Education begins at 9:00 and continues until the time of Holy Eucharist.

In addition to the formal education discussed above, we also have an active youth group for children from 10 years old and up. Informal Christian Education continues in that setting.
